Archivist of the United States
National Archives and Records Service
Washington, D. C. 20408

Dear Dr. Rhoads:

We have reviewed the letter of 16 December 1968 from your Assistant, Dr. Alldredge, and fully support your efforts to conduct research at the National Bureau of Standards for the improvement of paper and development of related standards. Toward your Government-wide goal of \$20,000 by June 1969, we believe that a contribution of \$3,000 should serve as this Agency's quota in this research project.

The funds will be forwarded to the National Bureau of Standards through normal fiscal channels. If there are any questions on this matter please contact [redacted] who is the CIA Records Administration Officer. He may be reached on [redacted]

Sincerely,

R. L. Bannerman
Deputy Director
